PURPOSE OF THE BILL

The purpose of H.R. 3186 is to establish an Every Kid Outdoors program.

BACKGROUND AND NEED FOR LEGISLATION

Since 2015, the Department of the Interior, through the “Every Kid in a Park” initiative, has offered fourth graders and their families free entrance to our national parks and other federal lands. The initiative launched prior to the National Park Service’s Centennial in 2016 as one way to connect with and create the next generation of park visitors. Funding and support for the initiative comes through the National Park Service’s budget for youth engagement programs as well as from private donations and volunteer hours.¹ To date, “Every Kid in a Park” has facilitated edu-

cational activities for more than 350,000 fourth graders across the country and has provided an outdoor classroom for teachers and students across the 417 National Park Service units and other federal lands.²

In developing the “Every Kid in a Park” initiative, the Department of the Interior focused on children 10 years of age, the age of most fourth graders, based on research that indicates children ages 9–11 are at a unique developmental stage where they begin to understand how the world around them works in more concrete ways.³ By targeting this age group, the initiative strives to provide every child in the United States with the opportunity to visit his or her federal lands and waters by age 11, thereby establishing a lifelong connection to our parks and other public lands.

H.R. 3186 codifies the “Every Kid in a Park” initiative by directing seven bureaus in four agencies to jointly establish the “Every Kid Outdoors” program to provide any fourth grader or homeschooled learner 10 years of age residing in the United States and any U. S. territory or possession with free access to publicly accessible federal lands and waters. The bureaus that would establish and administer the program are the National Park Service, the U.S. Fish and Wildlife Service, the Bureau of Land Management, the Bureau of Reclamation, the U.S. Forest Service, the National Oceanic and Atmospheric Administration, and the U.S. Army Corps of Engineers.

A companion bill has been introduced in the Senate as S. 1522 by Senator Martin Heinrich (D-NM).

COMMITTEE ACTION

H.R. 3186 was introduced on July 11, 2017, by Congresswoman Niki Tsongas (D-MA). The bill was primarily referred to the Committee on Natural Resources, and additionally to the Committee on Agriculture and the Committee on Transportation and Infrastructure. Within the Natural Resources Committee, the bill was referred to the Subcommittee on Federal Lands and the Subcommittee on Water, Power and Oceans. On May 16, 2018, the Natural Resources Committee met to consider the bill. The Subcommittees were discharged by unanimous consent. Congresswoman Madeleine Z. Bordallo (D-GU) offered an amendment designated 050; it was adopted by unanimous consent. Congressman Rob Bishop (R-UT) offered an amendment designated #1; it was adopted by unanimous consent. No further amendments were offered, and the bill, as amended, was ordered favorably reported to the House of Representatives by unanimous consent.

COMMITTEE OVERSIGHT FINDINGS AND RECOMMENDATIONS

Regarding clause 2(b)(1) of rule X and clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee on Natural Resources’ oversight findings and recommendations are reflected in the body of this report.

COMPLIANCE WITH HOUSE RULE XIII AND CONGRESSIONAL BUDGET ACT

1. Cost of Legislation and the Congressional Budget Act. With respect to the requirements of clause 3(c)(2) and (3) of rule XIII of the Rules of the House of Representatives and sections 308(a) and 402 of the Congressional Budget Act of 1974, the Committee has received the following estimate for the bill from the Director of the Congressional Budget Office:

U.S. CONGRESS,
CONGRESSIONAL BUDGET OFFICE,
Washington, DC, June 8, 2018.

Hon. ROB BISHOP,
*Chairman, Committee on Natural Resources,
House of Representatives, Washington, DC.*

DEAR MR. CHAIRMAN: The Congressional Budget Office has prepared the enclosed cost estimate for H.R. 3186, the Every Kid Outdoors Act.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Janani Shankaran.

Sincerely,

MARK P. HADLEY
(For Keith Hall, Director).

Enclosure.

H.R. 3186—Every Kid Outdoors Act

H.R. 3186 would establish the Every Kid Outdoors program, which would allow fourth grade students and certain accompanying adults free access to federal public lands and waters administered by the Department of the Interior, the Forest Service, the Army Corps of Engineers, and the National Oceanic and Atmospheric Administration where an entrance fee is charged. Because the bill would codify the existing Every Kid in a Park program, CBO estimates that implementing that provision would result in no additional costs.

The bill also would require the participating agencies to submit an annual report to the Congress on the program. Based on the costs of similar reports, CBO estimates that implementing that provision would cost less than \$500,000 over the 2019–2023 period; such spending would be subject to the availability of appropriated funds.

Enacting H.R. 3186 would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

CBO estimates that enacting H.R. 3186 would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2029.

H.R. 3186 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act.

The CBO staff contact for this estimate is Janani Shankaran. The estimate was reviewed by H. Samuel Papenfuss, Deputy Assistant Director for Budget Analysis.

2. General Performance Goals and Objectives. As required by clause 3(c)(4) of rule XIII, the general performance goal or objective of this bill is to establish an Every Kid Outdoors program.

EARMARK STATEMENT

This bill does not contain any Congressional earmarks, limited tax benefits, or limited tariff benefits as defined under clause 9(e), 9(f), and 9(g) of rule XXI of the Rules of the House of Representatives.

COMPLIANCE WITH PUBLIC LAW 104-4

This bill contains no unfunded mandates.

COMPLIANCE WITH H. RES. 5

Directed Rule Making. This bill does not contain any directed rule makings.

Duplication of Existing Programs. This bill does not establish or reauthorize a program of the federal government known to be duplicative of another program. Such program was not included in any report from the Government Accountability Office to Congress pursuant to section 21 of Public Law 111-139 or identified in the most recent Catalog of Federal Domestic Assistance published pursuant to the Federal Program Information Act (Public Law 95-220, as amended by Public Law 98-169) as relating to other programs.

PREEMPTION OF STATE, LOCAL OR TRIBAL LAW

This bill is not intended to preempt any State, local or tribal law.

CHANGES IN EXISTING LAW

If enacted, this bill would make no changes to existing law.
